Ambassador of Iran
Iranian Embassy
Washington 8, D.C.

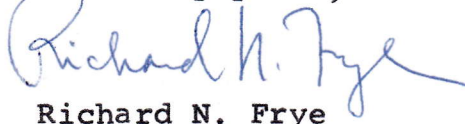

Your Excellency:

✓ In reply to your letter of 12 July, I am happy to write that I shall be able to accept the kind invitation for the International Congress of Iranists from August 31 to September 7 in Tehran. Would you kindly notify His Excellency Shojaeddin Shafa, Director of the Pahlavi Library?

In accordance with his wishes I am sending to you under separate cover, to be transmitted to him, a paper on "Seals and Sealings in Pre-Islamic Iran," which he wanted before August 15 so it might be translated into Persian.

Would you kindly advise me how to apply for a travel ticket and visa?

Sincerely yours,

Richard N. Frye
